

Sport

Dominican Republic is a paradise for the sports lovers offering the biggest variety of sports in the Caribbean. The colorful waters of its gorgeous beaches are the perfect scenery for windsurfing, jet skiing, scuba diving to explore ship wrecks, sailing, boat rides, deep sea fishing.

Inland you can enjoy our spectacular golf courses, tennis, polo, horse back riding, shooting and cycling, river rafting and much more ...

Baseball is the national passion and is played with intensity. The Dominican Republic is the origin of many major leagues players in the United States and Japan. Almost every week, international sport events are celebrated in Santo Domingo where first class sports installation exists such as the "Centenario" horse race track (with view to the Caribbean sea), Sebelén Bowling Center, The Americas Car Race Track, The Boxing Palace, or the Juan Pablo Duarte Olympic Center. In Puerto Plata has been recently opened a multi sports center which is an excellent installation for basketball championships of International category. Santo Domingo will be the host of the Panamerican Games of 2003.
